Docket No. 98N-1265 '99 APR 12 P1:28
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I live in Phoenix, AZ, My doctor informed me about Madison Pharmacy in Wisconsin. It took me four years to have the peace of mind of knowing I was taking natural Estrogen. This pharmacy has been perfect. The Prescriptions always correct, shipped always on time. Women have to put up with so much --- from money making corporations. Please leave it alone. When something works, don't break it.

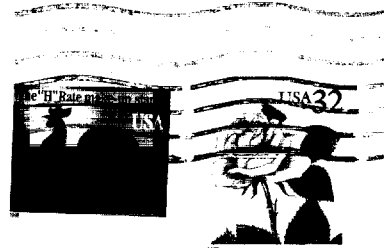

Thank you.
